---

## Interests

Music	Played guitar (self-taught), and sang, for crowds up to 100 people. Ecclesiastical choir trained
Prose	One work of named creative non-fiction published. Two works of non-fiction anonymously published.
Editing	I've edited two works, voluntarily. One was for a language teacher out of Oxford (Fadden; Celta). The second is a large volume work of high fantasy (Longworth).
Poetry	Published a poetry book anonymously. About 100 poems written.
Desktop Publishing	Typesetting with <i>Scribus</i> for making booklets, and formatting books for publication when not using L <sup>A</sup> T <sub>E</sub> X.
Cooking	Fine, and rustic, culinary dishes that are often French, Italian, or Japanese.
Combat Sports	Mixed Martial Arts, and Brazilian Jiu Jitsu.
Team Sports	Competitive hockey which taught me team-building, communication, and leadership skills.
Solo Sports	Snowboarding, Weight-lifting.
Travelling	Iceland, London, Paris, Rome, Assisi, and the Vatican. A highlight from the Vatican trip was seeing Pope Francis' election.
Outdoors	Camping, hiking, bird feeding and watching, and visiting Nova Scotia's hidden waterfalls.
Languages	Beginner German and Latin. Some computer languages.
Technology	UNIX system administration, who manages Free Open-Source Software on a server. Adjacent skills learned: cybersecurity, networking, large data management, debugging, hardware replacement, automation, containerization.
Videography	Editing photos, or videos started in High School, and has developed with me over the years.
